ABOUT PME GLOBAL

Prudential Middle East (PME) started working as a document clearing company in UAE 🇦🇪 on August 27th, 2008, after getting incorporated in the Department of Economic Development (DED) Dubai, UAE. For almost two years, we assisted several local & international companies in Dubai on their company incorporation matters relating to DED as mainland set ups , UAE freezones, and other UAE government entities.

On March 24th, 2010 , we achieved another milestone and got incorporated as a Legal Consulting firm duly registered with Ruler Court of RAK , UAE , (Legal Consulting License No. Rakia 74 FZ 303102693 issued dated March 22, 2010).

During this long journey of of almost 16 years, as a legal consulting firm, we assisted several local and international clients in UAE on different matters of Merger & Acquisition, due diligence , commercial arbitration , dispute resolution , debt recoveries , real estate and employment law related matters etc.

In 2024 on a way to transformation and keeping in mind our this long journey as a legal consulting firm. ,we started our new venture as Prudential Middle East Corporate Services LLC, duly incorporated as an Abu Dhabi Mainland professional advisory firm bearing Economic license No. CN- 5665636 issued from the Department of Economic Development Abu Dhabi,UAE.

We are now helping our existing and new clients from our new Abu Dhabi office on matters relating to Market entry , Corporate services, Risk Management, Strategic Advisory , Enviornment , Social & Governance (ESG), commercial arbitration ,general tax advisory and related professional service.

We have offices in UAE and Pakistan.

VISION STATEMENT

Since our inception in 2008 in UAE market , we have seen several ups and downs not only within our firm but have seen the evolving Business , Cultural and legal landscape of UAE market with our own eyes and through personel experiences . Our firm has stood at the intersection of legal excellence and unwavering commitment to our clients' success. As we transition into a dynamic corporate services provider based in Abu Dhabi, our vision has evolved to reflect the rapidly changing business landscape. We aim to be at the forefront of emerging technologies like AI, blockchain, and trends such as ESG (Environmental, Social, and Governance), Business Sustainability in the Circular Economy empowering our clients with the legal and corporate strategies they need to thrive in an increasingly complex world. Our goal is to deliver cutting-edge, forward-thinking solutions that enhance our clients' competitiveness in both the legal and corporate realms.

MISSION STATEMENT

Our mission is to provide comprehensive and innovative corporate services that combine legal expertise with modern technological advancements. By embracing the latest trends in AI, blockchain, and ESG, we aim to offer tailored solutions that help businesses navigate the challenges and opportunities of today's fast-paced market. As we continue to evolve, our focus remains on delivering practical, client-centered advice that not only resolves issues but positions our clients for long-term success. We are dedicated to staying ahead of the curve, ensuring that our clients remain competitive and compliant in an ever-changing global landscape.

COMMITMENT TO FUTURE GROWTH

As we continue to evolve, we remain deeply committed to our core values of integrity, professionalism, and client-focused service. The challenges and opportunities brought by AI, blockchain, and ESG trends require a forward-thinking approach, and we are proud to offer our clients the legal expertise and corporate services that will ensure their sustained growth in an ever-evolving market.

Keeping in mind our working for our SME and larger clients since 2008 in UAE market , we also learnt many lessons that why some of our clients could not flourish in the thriving market of UAE and larger GCC region. This learning made us one of the most reliable market entry experts in UAE .Our firm's transformation into a corporate

PROFILE OF THE FOUNDER & MANAGING DIRECTOR

Mr. Shakeel A. Mian is the the Founder of. In 2008 I arrived in UAE and started my Legal Career as an in-house Legal Counsel for a leading Professional Advisory firm based in Dubai, UAE . My main responsibilities were to assist and advice local and foreign companies to get incorporated in UAE. My main focus was on corporate structuring, drafting of partnership and investment agreements, legal due diligence in cases of Merger & Acquisition transactions , Risk Management and strategic advice etc .

Before moving to UAE 🇦🇪 on February 12th 2008 , I was working in Islamabad , Pakistan as a corporat lawyer and used to work with several local and international banks in Pakistan as a banking lawyer including UBL , Dubai Islamic Bank and Askari Commercial Bank etc . During this time , I also used to teach Islamic banking and finance to MBA students in OPF and Ripah international university Islamabad, Pakistan.

So from 2008 till today , I m based in UAE and have worked on different aspects of law practise that include , Merger & Acquisitions , Legal Due Diligence , International commercial arbitration, Dispute Resolution, Real Estate disputes , Employment related disputes , commercial law , Company Incorporation and Structuring , I successfully recovered many debts of local and international clients as out of court settlements . Since 2021 , I putting a great focus on Enviroentment, Social & Governance (ESG) and working with several clients to help them how ESG metrics can be incorporated into their policies and operations .
